For the evaluation of candidates intending to apply for one or more grants related to a specific topic, it will be taken into evaluation the submitted short project (Attachment 9).

Grants non related to a topic will be considered with a lower preference

Art. 6 – ADMISSION COMMITTEE

The Admission Committee is nominated by the Rector in consultation with the Doctoral School Committee. It consists of three members chosen among professors and researchers including foreign figures who are experts in the scientific areas of the Doctorate. The Committee may also include a maximum of two experts from national and international research institutes, either public or private ones.

The Committee evaluates qualifications and assigns scores. On the basis of points given, the Committee compiles a list of applicants in order of merit. The short-list will be displayed on the website:

<http://portale.unitn.it/en/ec/phd/ict.htm>

Notification is considered as delivered through the announcement of the list.

The successful applicants will not receive personal communications of their results.

Art. 7 - ADMISSION TO THE DOCTORAL SCHOOL

The Doctoral School admission is based according to a short-list created by the Admission Committee to cover all places available published in this Call.

If a successful applicant withdraws before the beginning of the course (**1st of November 2010**), **the next applicant** on the short-list will be offered the place. The latter must submit his/her application for enrolment at the Doctoral School within 10 days following the communication from the Doctoral Office.

If a successful applicant withdraws or is excluded **after the beginning of the courses** and **during the first term of the first year**, the Doctoral School Committee may decide to fill the vacancy with the next candidate on the list.

According to art. 19, paragraph 3 of the University Regulations for Doctoral Schools and to what has previously been deliberated by the Doctoral School Committee, the Admission Committee may admit to the supernumerary places, up to **20%** more of the total announced places, those candidates, following the rank order of the short-list, who belong to one of the following categories:

within 30 days following publication of the short-list on the website, <http://portale.unitn.it/en/ec/phd/ict.htm>,

successful candidates for places NOT covered with a grant. The reason why 10 days have been added for successful candidates without grant to enrol, is to offer the given up grants to other candidates.

Application must contain, where applicable, receipt of payment of TDS (“tassa per il diritto allo studio universitario”) for the right to university study.

In their applications (forms are available at the Central Office of Doctoral Studies or can be downloaded from the website: <http://portale.unitn.it/en/ec/phd/ict.htm>) successful candidates should declare:

- declare that they have / have not already been awarded a grant for an Italian Doctorate course (even for one year only);
- declare that they are not already enrolled and undertake not to enrol in any other courses for a diploma, degree, an Italian “Scuola di Specializzazione”, and other doctoral schools/courses and masters of 1st and 2nd level, for the duration of this Doctoral Programme. Short-listed applicants who do not submit their application within above mentioned deadlines will lose the right to enrol and the corresponding place is consequently offered to the next applicant on the short-list as outlined in art. 7 of the present call.

At the end of the enrolment period, Doctoral students must communicate via e-mail (infoICT@ict.unitn.it) to the School Secretariat the exact date of their arrival. Doctoral students who cannot be, for justified reasons, in Trento at the beginning of the academic year must put forward the adequate motivations and justifications in writing, no later than the 5th of November 2010. The latest date of arrival in Trento cannot be later than the 10th of January 2011, otherwise might face exclusion from the School

In case of a lack of communication and failure to arrive in Trento by the above mentioned dates, the doctoral student will be considered excluded from the School.

Art. 9 – STUDY GRANTS

Study grants are assigned to applicants on the basis of the short-list of applicants given in order of merit done by the Admission Committee.

The study grant is increased by 50% for periods spent abroad that have been authorised by the Head of the School or by the Doctoral School Committee.

The study grant is awarded for the entire duration of the Doctoral programme following confirmation by the Doctoral School Committee on the results achieved every year.

Failure to attend the programme for over thirty days will result in suspension of the study grant.

Should a student renounce his/her studies throughout the course of the year then he/she also renounces the corresponding amount awarded with the study grant.

Art. 10 – ACCOMMODATION CONTRIBUTION FOR DOCTORAL STUDENTS

The University of Trento provides doctoral students with a monthly accommodation contribution of 100 Euro.
